SECTION I: Introduction to the Summary of Benefits for Medicare Plus Blue (PPO)

Vitality, Signature and Assure

Thank you for your interest in Medicare Plus Blue (PPO). Our plan is offered by BLUE CROSS BLUE SHIELD OF MICHIGAN, a Medicare Advantage Preferred Provider Organization (PPO). This Summary of Benefits tells you some features of our plan. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of our benefits, please call Medicare Plus Blue (PPO) and ask for the *Evidence of Coverage*.

You have choices in your health care

As a Medicare beneficiary, you can choose from different Medicare options. One option is the Original (fee-for-service) Medicare Plan. Another option is a Medicare health plan, like Medicare Plus Blue (PPO). You may have other options too. You make the choice. No matter what you decide, you are still in the Medicare Program.

You may be able to join or leave a plan only at certain times. Please call Medicare Plus Blue (PPO) at the number listed at the end of this introduction or 1-800-MEDICARE (1-800-633-4227) for more information. TTY/TDD users should call 1-877-486-2048. You can call this number 24 hours a day, 7 days a week.

How can I compare my options?

You can compare Medicare Plus Blue (PPO) and the Original Medicare Plan using this Summary of Benefits. The charts in this booklet list some important health benefits. For each benefit, you can see what our plan covers and what the Original Medicare Plan covers.

Our members receive all of the benefits that the Original Medicare Plan offers. We also offer more benefits, which may change from year to year.

Where is Medicare Plus Blue (PPO) available?

The service area for this plan includes: Michigan. You must live in this area to join the plan.

Who is eligible to join Medicare Plus Blue (PPO)?

You can join Medicare Plus Blue (PPO) if you are entitled to Medicare Part A and enrolled in Medicare Part B and live in the service area. However, individuals with End Stage Renal Disease are generally not eligible to enroll in Medicare Plus Blue (PPO) unless they are members of our organization and have been since their dialysis began.

Can I choose my doctors?

Medicare Plus Blue (PPO) has formed a network of doctors, specialists, and hospitals. You can use any doctor who is part of our network. You may also go to doctors outside of our network. The health providers in our network can change at any time.

You can ask for a current Provider Directory or for an up-to-date list visit us at www.bcbsm.com/medicare/search.shtml.

Our customer service number is listed at the end of this introduction.

What happens if I go to a doctor who's not in your network?

You can go to doctors, specialists, or hospitals in or out of network. You may have to pay more for the services you receive outside the network, and you may have to follow special rules prior to getting services in and/or out of network. For more information, please call the customer service number at the end of this introduction.

Where can I get my prescriptions if I join this plan?

Medicare Plus Blue (PPO) has formed a network of pharmacies. You must use a network pharmacy to receive plan benefits. We may not pay for your prescriptions if you use an out-of-network pharmacy, except in certain cases. The pharmacies in our network can change at any time. You can ask for a pharmacy directory or visit us at www.bcbsm.com/medicare/rxdirectory.shtml. Our customer service number is listed at the end of this introduction.

Medicare Plus Blue (PPO) has a list of preferred pharmacies. At these pharmacies, you may get your drugs at a lower copay or co-insurance. You may go to a non-preferred pharmacy, but you may have to pay more for your prescription drugs.

Does my plan cover Medicare Part B or Part D drugs?

Medicare Plus Blue (PPO) do cover both Medicare Part B prescription drugs and Medicare Part D prescription drugs.

What is a prescription drug formulary?

Medicare Plus Blue (PPO) uses a formulary. A formulary is a list of drugs covered by your plan to meet patient needs. We may periodically add, remove, or make changes to coverage limitations on certain drugs or change how much you pay for a drug. If we make any formulary change that limits our members' ability to fill their prescriptions, we will notify the affected enrollees before the change is made. We will send a formulary to you and you can see our complete formulary on our Web site at www.bcbsm.com/medicare/formulary.shtml.

If you are currently taking a drug that is not on our formulary or subject to additional requirements or limits, you may be able to get a temporary supply of the drug. You can contact us to request an exception or switch to an alternative drug listed on our formulary with your physician's help. Call us to see if you can get a temporary supply of the drug or for more details about our drug transition policy.

How can I get extra help with my prescription drug plan costs or get extra help with other Medicare costs?

- 1-800-MEDICARE (1-800-633-4227). TTY/TDD users should call 1-877-486-2048, 24 hours a day/7 days a week and see www.medicare.gov 'Programs for People with Limited Income and Resources' in the publication *Medicare & You*.

What are my protections in this plan?

All Medicare Advantage Plans agree to stay in the program for a full year at a time. Each year, the plans decide whether to continue for another year. Even if a Medicare Advantage Plan leaves the program, you will not lose Medicare coverage. If a plan decides not to continue, it must send you a letter at least 90 days before your coverage will end. The letter will explain your options for Medicare coverage in your area.

As a member of Medicare Plus Blue (PPO), you have the right to request an organization determination, which includes the right to file an appeal if we deny coverage for an item or service, and the right to file a grievance. You have the right to request an organization determination if you want us to provide or pay for an item or service that you believe should be covered. If we deny coverage for your requested item or service, you have the right to appeal and ask us to review our decision. You may ask us for an expedited (fast) coverage determination or appeal if you believe that waiting for a decision could seriously put your life or health at risk, or affect your ability to regain maximum function. If your doctor makes or supports the expedited request, we must expedite our decision. Finally, you have the right to file a grievance with us if you have any type of problem with us or one of our network providers that does not involve coverage for an item or service. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. Please refer to the *Evidence of Coverage* (EOC) for the QIO contact information.
