Sec. IV Paying Your Plan Premium

You can pay your monthly plan premium (including any late enrollment penalty you may owe) by mail, "Electronic Funds Transfer (EFT)" or an automatic withdrawal from your bank account. You can also choose to pay your premium by automatic deduction from your Social Security or Railroad Retirement Board benefit check each month. If you are assessed a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium. You will either have the amount withheld from your Social Security or Railroad Retirement Board benefit check or be billed directly by Medicare. **Do NOT** pay the Part D-IRMAA extra amount to Prescription Blue.

People with limited incomes may qualify for extra help to pay for their prescription drug costs. If you qualify, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify won't have a coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this extra help, contact your local Social Security office or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for extra help online at www.socialsecurity.gov/prescriptionhelp.

Sec. IV Continued**Paying Your Plan Premium**

If you qualify for extra help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.

If you don't select a payment option, you will get a bill each month. You should know that Social Security LIMITS the automatic deduction amount allowed from your benefit check to \$200. This means that, should you select a Prescription Blue plan, for example – and there is a delay in processing – the transaction will be rejected because the deduction amount would exceed Social Security's \$200 limit. You will then be billed directly for all unpaid premiums. Consider automatic deductions if you do not wish to receive a statement each month.

Please select a premium payment option:

- Electronic funds transfer (EFT) from your bank account each month. Please allow three to four weeks for processing your application. You may receive a premium bill during the time your application is being processed so please pay the bill. Future monthly premiums will be automatically withdrawn from your specified account on the fifth day of every month.

Please enclose a **VOIDED** check:

Account Holder Name: _____

Bank Routing Number: _____
(first set of numbers located on left side of check)

Bank Account Number: _____
(second set of numbers located in center of check)

Account Type: Checking Savings

- Get a bill each month.

- Automatic deduction from my monthly Social Security/Railroad Retirement Board benefit check. (The Social Security/Railroad Retirement Board deduction may take two or more months to begin. In most cases, if Social Security/the Railroad Retirement Board accepts your request for automatic deduction, the first deduction from your Social Security/Railroad Retirement Board benefit check will include all premiums due from your enrollment effective date up to the point withholding begins.) If Social Security/the Railroad Retirement Board does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.

Sec. VI

Please Read This Important Information

If you are a member of a Medicare Advantage Plan (like an HMO or PPO), you may already have prescription drug coverage from your Medicare Advantage Plan that will meet your needs. By joining Prescription Blue PDP, your membership in your Medicare Advantage Plan may end. This will affect both your doctor and hospital coverage as well as your prescription drug coverage. Read the information that your Medicare Advantage Plan sends you and if you have questions, contact your Medicare Advantage Plan.

If you currently have health coverage from an employer or union, joining Prescription Blue PDP could affect your employer or union health benefits. You could lose your employer or union health coverage if you join Prescription Blue PDP. Read the communications your employer or union sends you. If you have questions, visit their website, or contact the office listed in their communications. If there isn't information on whom to contact, your benefits administrator or the office that answers questions about your coverage can help.

By completing this enrollment application, I agree to the following:

Prescription Blue PDP is a Medicare drug plan and has a contract with the Federal government. I understand that this prescription drug coverage is in addition to my coverage under Medicare; therefore, I will need to keep my Medicare Part A or Part B coverage. It is my responsibility to inform Prescription Blue PDP of any prescription drug coverage that I have or may get in the future. I can only be in one Medicare prescription drug plan at a time – if I am currently in a Medicare Prescription Drug Plan, my enrollment in Prescription Blue PDP will end that enrollment. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes if an enrollment period is available, generally during the Annual Enrollment Period (October 15 - December 7), unless I qualify for certain special circumstances.

Prescription Blue PDP serves a specific service area. If I move out of the area that Prescription Blue PDP serves, I need to notify the plan so I can disenroll and find a new plan in my new area. I understand that I must use network pharmacies except in an emergency when I cannot reasonably use Prescription Blue PDP network pharmacies. Once I am a member of Prescription Blue PDP, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from Prescription Blue PDP when I get it to know which rules I must follow to get coverage.

I understand that if I leave this plan and don't have or get other Medicare prescription drug coverage or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty in addition to my premium for Medicare prescription drug coverage in the future.

I understand that if I am getting assistance from a sales agent, broker or other individual employed by or contracted with Prescription Blue PDP, he/she may be paid based on my enrollment in Prescription Blue PDP. Counseling services may be available in my state to provide advice concerning Medicare supplement insurance or other Medicare Advantage or prescription drug plan options, medical assistance through the state Medicaid program, and the Medicare Savings Program.

Release of Information:

By joining this Medicare prescription drug plan, I acknowledge that Prescription Blue PDP will release my information to Medicare and other plans as is necessary for treatment, payment and health care operations. I also acknowledge that Prescription Blue PDP will release my information, including my prescription drug event data, to Medicare, who may release it for research and other purposes which follow all applicable Federal statutes and regulations. The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from this plan.

I understand that my signature (or the signature of the person authorized to act on my behalf under state law where I live) on this application means that I have read and understand the contents of this application. If signed by an authorized individual (as described above), this signature certifies that: 1) this person is authorized under state law to complete this enrollment and 2) documentation of this authority is available upon request by Prescription Blue PDP or by Medicare.
